

Scenario 1: Without Context (Generic Prompt)

Reasoning: Scene is misinterpreted as a library archive with people setting; shelves may contain historical documents.

Action: Turn left to explore the shelves.

Newsworthiness Score: 0.30

Scenario 2: With Context A ("Focus on People working ")

Reasoning: High-priority target detected: individuals at workstations, matching the 'people working' mission.

Action: Move forward to capture their activity.

Newsworthiness Score: 0.85

Scenario 3: With Context B ("Focus on Empty Desks")

Reasoning: Human activity is irrelevant to the 'empty desk' mission. The current view is not newsworthy.

Action: Rotate to explore for unoccupied desks.

Newsworthiness Score: 0.20
